

ORHS Level English IV Summer Reading Assignment

In Conroe ISD, we encourage all students to read over the summer in order to enrich learning and provoke thought. Summer reading strengthens reading skills, increases academic achievement, fosters a love for reading, and empowers students to become lifelong learners.

Dear Seniors,

All students at Oak Ridge High School who enroll in Level English IV are expected to complete a summer reading assignment. Summer reading assignments provide several advantages, including maintaining skills over the summer, fostering independent learning, understanding course expectations, creating an initial common framework for discussion and study, supporting college-readiness standards, and promoting lifelong learning.

For the summer of 2017, students who are scheduled to take English IV for the 2017-2018 school year will be required to carefully read one of the following novels of their choice:

Catch 22
The Princess Bride
The Hobbit
Unbroken
Pride and Prejudice and Zombies
Lone Survivor

You should work to understand the text by completing a reading log (attached). During the summer months, annotate the novel by writing comments and questions on the reading log or in the book. For these reasons, you will need to have a copy of the book for several months in order to complete all of the assignments. Please research the novel choices, and make a good decision for you (see descriptions attached).

All students enrolled in English IV for the upcoming school year are expected to have the novel read, as well as have the annotations complete prior to the fourth week of school, September 11, 2017. Since there will be several assignments over the summer reading text during the first weeks of school, it is best if you come to class prepared to discuss the text using your notes and personal observations on the first day of class. The first few weeks of senior year are busy with college essays and applications and other course work. It is called summer reading for a reason. So, choose a novel and enjoy! See you in August!

Sincerely,

The Level English IV Team

Novel Summaries (from goodreads.com)

Catch 22 by Joseph Heller

At the heart of Catch-22 resides the incomparable, malingering bombardier, Yossarian, a hero endlessly inventive in his schemes to save his skin from the horrible chances of war. His problem is Colonel Cathcart, who keeps raising the number of missions the men must fly to complete their service. Yet if Yossarian makes any attempts to excuse himself from the perilous missions that he's committed to flying, he's trapped by the Great Loyalty Oath Crusade, the bureaucratic rule from which the book takes its title: a man is considered insane if he willingly continues to fly dangerous combat missions, but if he makes the necessary formal request to be relieved of such missions, the very act of making the request proves that he's sane and therefore, ineligible to be relieved.

The Princess Bride by William Goldman

What happens when the most beautiful girl in the world marries the handsomest prince of all time and he turns out to be...well...a lot less than the man of her dreams? What's it about? Fencing. Fighting. True Love. Strong Hate. Harsh Revenge. A Few Giants. Lots of Bad Men. Lots of Good Men. Five or Six Beautiful Women. Beasties Monstrous and Gentle. Some Swell Escapes and Captures. Death, Lies, Truth, Miracles, and a Little Sex.

The Hobbit by J. R. R. Tolkien

In a hole in the ground there lived a hobbit. Not a nasty, dirty, wet hole, filled with the ends of worms and an oozy smell, nor yet a dry, bare, sandy hole with nothing in it to sit down on or to eat: it was a hobbit-hole, and that means comfort. Written for J.R.R. Tolkien's own children, *The Hobbit* met with instant critical acclaim when it was first published in 1937. Now recognized as a timeless classic, this introduction to the hobbit Bilbo Baggins, the wizard Gandalf, Gollum, and the spectacular world of Middle-earth recounts of the adventures of a reluctant hero, a powerful and dangerous ring, and the cruel dragon Smaug the Magnificent.

Unbroken By Laura Hillenbrand

On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War.

Pride and Prejudice and Zombies by Jane Austen - Seth Grahame-Smith

An expanded edition of the beloved Jane Austen novel featuring all-new scenes of bone-crunching zombie mayhem. As our story opens, a mysterious plague has fallen upon the quiet English village of Meryton—and the dead are returning to life! Feisty heroine Elizabeth Bennet is determined to wipe out the zombie menace, but she's soon distracted by the arrival of the haughty and arrogant Mr. Darcy. What ensues is a delightful comedy of manners with plenty of civilized sparring between the two young lovers—and even more violent sparring on the blood-soaked battlefield. Can Elizabeth vanquish the spawn of Satan? And overcome the social prejudices of the class-conscious landed gentry? Complete with romance, heartbreak, swordfights, cannibalism, and thousands of rotting corpses, *Pride and Prejudice and Zombies* transforms a masterpiece of world literature into something you'd actually want to read.

Lone Survivor by Marcus Luttrell, Patrick Robinson (Contributor)

This is the story of fire team leader Marcus Luttrell, the sole survivor of Operation Redwing, and the desperate battle in the mountains that led, ultimately, to the largest loss of life in Navy SEAL history. But it is also, more than anything, the story of his teammates, who fought ferociously beside him until he was the last one left—blasted unconscious by a rocket grenade, blown over a cliff, but still armed and still breathing. Over the next four days, badly injured and presumed dead, Luttrell fought off six al Qaeda assassins who were sent to finish him, then crawled for seven miles through the mountains before he was taken in by a Pashtun tribe, who risked everything to protect him from the encircling Taliban killers.
