Dear Oak Ridge High School friend,

High School graduation is a time to celebrate! New graduates want to spend the night with friends – eating, playing games, reminiscing about all the great times they have had over the past years and discussing what comes next.

As parents of these soon-to-be graduates, we want to ensure that each one has the opportunity to experience the 'what comes next'. So every year while seniors are anxiously counting down the last few months of high school, Oak Ridge High School parents are organizing **Operation Graduation**, a lock-in held the same night as the graduation ceremony.

This year **Main Event** will be the location for Operation Graduation. Our newest graduates and their guests will be able to bowl; dine; and play video games, laser tag, pool, and shuffleboard all night long in a **safe, secure, drug and alcohol-free environment.**

We need your help to make this event a success! You can help by:

- Underwriting a portion of Operation Graduation
 - Have your family/Company/Organization underwrite a particular activity!
 - Details for opportunities are listed on the following pages
- Donating items for giveaways
 - Graduates could win wonderful prizes, large or small!
- Donating funds
 - Monetary donations help cover any costs!

ORHS Operation Graduation is an approved 501(c)(3) not for profit organization and therefore your donation is tax deductible to the extent allowed by law.

On behalf of the over 900 members in the Oak Ridge High School class of 2017, we thank you for your generous support.

Deana Watson
Treasurer
